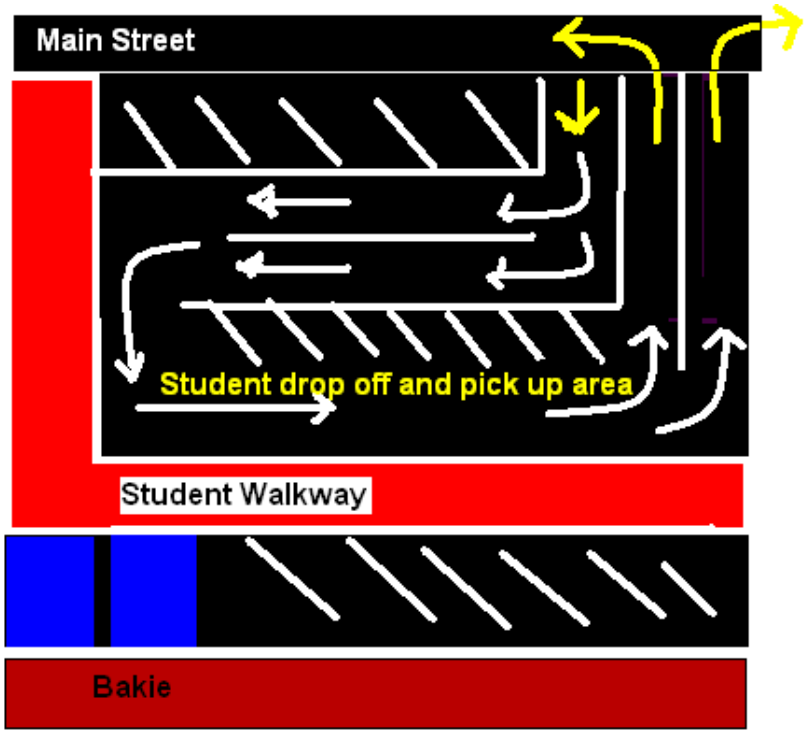
Student Drop-Off, Pick-Up, and Parking Information



Dear Parents:

Sanborn Regional School District administration and maintenance department have worked cooperatively with the School Board, Kingston Police Department, and Road Agent to improve the student drop off and pick up situation at Bakie Elementary School. We are pleased to offer a parent loop in the visitor parking lot for this purpose. The visitor parking lot is located on the left side when facing the building, in front of the kindergarten wing.

Please note that the Kingston Police Department will no longer allow any parking or dropping off of students on Main Street. We hope that the newly created parent drop-off/pick up loop will help maintain order and safety in the visitor parking lot and on Main Street.

In order to speed the flow of traffic and keep cars from backing up onto Main Street, we ask that you remain in your car and say quick goodbyes when in the drop off lane. If spaces are available, you may park in the visitor parking lot or in the Swasey Gym parking lot across the street if you need to enter the building with your child.

While we encourage you to utilize the bus system, especially on the first few days of school to help your child establish a routine, we understand that at times it may be necessary to drop off or pick up your child. We hope the diagram above will help you to understand the new plan.

After school pick up will be at the end of the kindergarten wing. Please stay in your car, and a staff member will bring your child and the sign out clipboard to you. If your child is not in the kindergarten area when you pull up, we ask that you exit and re-enter the circle so that you don't hold up the pick up line.

<u>Change of Dismissals</u>

Student dismissal changes must be received by 2:45 p.m. this year. This will help lessen the classroom interruptions at the end of the school day and assist in getting all students dismissed on time.

We hope this will be a safe and convenient solution for you and your children. If you have any concerns, please call Bakie at 642-5272. Thank you!

Mrs. Bamforth, Principal
