

June 2008

Dear Student,

Congratulations, you are now a fourth grader and all of your new teachers want to welcome you to the grade! We know that families like to get their students ready before school, during the summer, while many supplies go on sale. Hopefully this list will help you know what you need for fourth grade.

Need Materials:

Pencils and erasers

Markers

Colored pencils

Glue stick

1 ruler with both metric and standard units

6 or more two pocket folders

1 pencil/supply storage box (small)

Bakie School will be providing an agenda book for each of you, so you will be able to write down daily and long term assignments. In the mean time, have a wonderful, fun, and enjoyable summer. We are all looking forward to seeing you when the new school year begins!

Sincerely,

Grade 4 Team
