

June 2008

Dear 2008-2009 5KS families,

Welcome to 5th grade! I hope you are looking forward to a fun and exciting fifth grade year. Just like any journey, you need to be packed, and prepared. Below is a list of materials that you will need for class, and should help with your 'back to school shopping'. The list below is broken into two categories. First are things that will be necessary for each student to have, and then another list of things that you have access to in the classroom, but many students like to have for their own use. In addition to the materials listed here, 5KS is registered at Target, if you should want to donate something more to the classroom. You can go to target.com and search under the tab that says "targetlists" and type in my name, Kelly Steele, and find our back to school wish list. Or go to a Target store and search the registry kiosk and print off a copy of the list. Thank you in advance for your generosity ☺
