**PROGRAMS FOR CHILDREN WITH DISABILITIES**

Statement of Purpose

The purpose of this policy is to describe the program areas to be provided to children with disabilities.

Statement of Policy

It is the policy of the Sanborn Regional School Board to comply with all regulations set forth in the New Hampshire Rules for the Education of Children with Disabilities and the IDEA.

This shall encompass the following broad areas: The establishment of a Child Find Program; policies and procedures to assure the confidentiality of all programs and services; and policies that provide appropriate procedural safeguards. These programs will involve parents and the public at large and shall provide appropriate educational services in both public and private settings as appropriate.

It is our intent to develop, refine, and implement programs that assure that all children with disabilities within the jurisdiction of the school district, have available to them a free, appropriate education, which emphasizes special education and related services to meet their unique needs. The district seeks to assure that the rights of children with disabilities and their parents' rights are protected, that confidentiality of personally identifiable information is in operation at all times and that the individualized education program conforms with state and federal requirements.
