

August 2018

Dear Parents/Guardians and Students,

I hope that everyone is enjoying his or her summer vacation. This note will hopefully answer and update you of Fall Athletic information. If you have any problems or questions please feel free to contact me. I have enclosed phone numbers for the high school and middle school to help you communicate with us.

For those incoming 6th graders this is your first opportunity to be part of interscholastic teams. The Middle School has many different choices. As a middle school student, now is the time to try interscholastic sports. There are many teams and spots available for you to participate in. Set the stepping-stones for a high school career.

Parents urge your children to become a part of the athletic world. Remember it is an extension of the classroom. Everyone learns valuable lessons around the playing arena. Even those enthusiastic fans! Be a role model. Come be a positive athletic supporter. There is a very active and optimistic Booster Club that needs your time and energy. Please take the time to get involved with this organization.

Important information for participation:

- Send a water bottle with water everyday to practice. Hydration is very important.
- Soccer and field hockey need shin guards, cleats and mouth guards.
- Need to have had a physical dated after April 1st prior to the beginning of 6th grade year

Dates to mark on your calendar:
