

Student Request for Reduction in Course Load

Parents and students requesting a reduced course load are reminded that this is discretionary on the part of the principal; it is not automatic.

Students who are not carrying at least four (4) courses:

1. are not eligible for the honor roll
2. can effect your class rank

Reminder to athletes: in order to participate in athletics, you must pass four (4) classes.

Name: _____

Grade: _____ **Year/Semester** _____

Reason for Request: _____

Student Signature: _____

Parents:

Your child has requested a reduction in course load. Please indicate that your child has permission to carry less than a full course load and that he or she can either be dismissed early or come in tardy for the duration of this agreement.

I give my child, _____, permission to carry less than five courses for the _____ semester of the 2006-2007 school year. He or she will sign in/out at _____ for the duration of this agreement.

It must be understood that if the student does not carry a first block class, they MUST sign in just before the start time of second block. If the student does not carry a sixth block class, they MUST sign out and leave school grounds at the end of their last class.

Parent Signature

_____ ***The reduction in course load has been waived for this student.***
