Dear Students and Families,

We hope that you all had a nice weekend. We would like to thank all of the students, staff, family and community members who attended or participated in Friday nights Parents/Staff versus Students Basketball Game. The event was a lot of fun and a great way to bring the community together. We would like to give a

huge thank you to our Middle School Boosters who organized and put on the event. Unfortunately, the Parents & Staff won the game yet again. Maybe next year students!

Spring Drama Production - The Sanborn Regional Middle School Drama Club is presenting “Young Sherlock Holmes and the Mystery at Miss Potter’s School” on Friday, April 5th at 7:00 pm and Saturday, April 6th at 2:00 pm in the SRHS/MS auditorium. Over 35 middle school students, plus several district staff members, comprise the cast and crew. The plot, which involves not only a kidnapped student, but a secondary evil plan, as well, includes such familiar characters as Sherlock Holmes, Dr. Watson, Professor Moriarty, Inspector Lestrade, Mrs. Hudson and even a surprise appearance by Queen Victoria herself. In addition, there will be a touch of music and dancing. Bring the whole family! Admission is \$5.00.

Attention Parents/Guardians of Students in the 7th Grade - Last week a letter went home informing you of an upcoming 7th grade field trip to the Museum of Science in Boston. Due to the location of the field trip and the distance from school, the letter outlined behavior expectations for the trip, and required each student and a parent to acknowledge these expectations. If you did not get the letter, please [click here](#). If you have any questions about the trip, please contact the 7th grade team.

Early Release on Monday, April 8th - On Monday, April 8th, SRMS/HS students will be dismissed at 12:10. The decision to have an early release was made in order to allow families to plan for child care and make decisions about how to handle the solar eclipse while ensuring that students do not stare at the sun while on the bus or walking home.

SRMS Boosters Meeting - The next middle school Boosters meeting is Tuesday, April 9th, at 6:30pm in the SRMS/HS library. All staff and families are welcome to attend.

Yearbook Orders - To order a 2023-24 SRMS Yearbook, please [click here](#).

Have a great week!

Matthew Malila Jay Trafton

SRMS Principal SRMS Assistant Principal

SRMS Class of 2028 Spotlights

Molly Himber:

To say we are proud of you would be an understatement! You have grown up into a beautiful individual both inside and out. You put 110% effort in everything you do, whether that is your schoolwork, your friendships or competitive gymnastics. Your funny faces and sense of humor make you even more endearing and an absolute joy to be around.

Don't ever let anyone try to damper your "weirdness"! Your future is so bright and we know you will be successful in whatever you set your mind to! Embrace all of the new adventures ahead of you and remember to be brave. We love you so much and that is soooooo poossibbblllllee!

Love,
Mom, Dad and Charlotte (and the animals too!)

Tyrell,

I am so proud of you! You have grown into such a young man. Focusing on your school work, showing determination no matter how frustrated you were. Just remember the only person standing in your way is yourself. Keep showing determination and strength & you will excel in life! I love you! Your dad and I are so proud of you!

P.S. ONE PROUD MAMA!!!!

Any parent/guardian of an 8th grade student who would like to submit a spotlight for the newsletter should email a photograph and short message to the SRMS Boosters at: middleschoolboosters@sau17.net

SRMS Class of 2028 Spotlights

Tyler,

You are going to do amazing in high school and we can't wait to see what's to come! Set your goals and reach for the stars. We love you and are so proud of you.

Love,
Mom, Dad and Dylan

To Our Abby,

We're all so proud of you! You work hard in everything you do to be the best - School, Band, Dance, Cross Country and Track. You are a great kid who is becoming a beautiful and talented young lady!

Love,
Mom, Dad, & Evan

Any parent/guardian of an 8th grade student who would like to submit a spotlight for the newsletter should email a photograph and short message to the SRMS Boosters at: middleschoolboosters@sau17.net

SRMS Class of 2028 Spotlights

Andrew,
Always remember you are braver than
you believe, stronger than you seem,
smarter than you think and loved more
than you know! We are so proud of you
Love,
Mom & Dad

Sage,
You amaze us everyday as you choose to live
your life full of joy, kindness and integrity! You
have proven that you can conquer anything! We
are so incredibly proud of you! Dream big Sage!
Continue to follow your heart and all your dreams
will come true!
We love you!
Mom, Dad, Kai, Milo and Mazzy

Any parent/guardian of an 8th grade student who would like to submit a spotlight for the newsletter should email a photograph and short message to the SRMS Boosters at: middleschoolboosters@sau17.net

SRMS Class of 2028 Spotlights

Ally,
It is hard to believe that you are almost in high school! We are so proud of you and all you've accomplished. We can't wait to see what the future holds for you!

Love,
Mom, Dad & Reese

Gabby, we can't believe you'll be a freshman this fall! Where has the time gone? You have grown up into this beautiful, smart, funny amazing human that continues to keep putting the right foot forward! Keep working hard and you will continue to shine in your academic and athletic endeavors!! We love you so much very!
Mom, Dad, Harper & Delaney

Any parent/guardian of an 8th grade student who would like to submit a spotlight for the newsletter should email a photograph and short message to the SRMS Boosters at: middleschoolboosters@sau17.net

A Message From School Counseling

Stress Busters for Teens

As teens feel the pressure to succeed in a nation that promotes competitiveness, they may be finding themselves stressed out! With April coming, the final quarter or trimester beginning and the lure of Summer, we need to make sure that we teach them to cope with the pressures of the tail end of the year.

The following are 10 tips to help them deal with the everyday pressure of stress.

*Eat Healthy *Sleep *Find Balance *Go Outside *Find Your Sense of Humor

For the entire article, go here: [Top 10 Stress Busters for Teens](#)

Talking to your teen about these issues is important, but also may be difficult. Below are some videos for you to preview. You can use them to help with some scripting or talking points, or you might choose to watch them with your teen, and then talk together.

- [How We Cope with Anxiety & Stress | MTV's Teen Code](#)
- [Recognizing and Managing Teen Stress](#)
- [Teen stress from a teen perspective](#)
- [Why you should take a break](#)

While not every student will be experiencing stress the same, every student will benefit from understanding the effects of stress on their own mental health is important that we extend the same empathy and aid to mental health as we do to physical health, and make sure that we work with the kids, and are open about the realities of the stress of school, social life and keep the dialogue open!

End 68 Hours of Hunger

Dear Parents and Guardians,

The Sanborn Regional School District partners with *End 68 Hours of Hunger*, a local nonprofit food program whose mission is to help families in need feed their children over the weekend. This program helps provide students with extra meals from Friday evening through Sunday evening, helping them be better prepared to come to school on Monday morning nourished and ready to learn. All food is non-perishable and easy to prepare. We collect food items for *End 68 Hours of Hunger* at all schools to support our local families. *Please note that this is a non-profit organization and not a District sponsored program.*

If you feel this is a program from which your child could benefit, please fill out the permission slip below, and return to your child's school counselor! Your child will receive a bag of food on Friday afternoons.

If you have any questions, please contact any of our counseling staff.

Bakie counselors:

Angelica Gardella agardella@sau17.net and Sue Petela spetela@sau17.net

Memorial counselors:

Rachel Nippert: rnippert@sau17.net and Amy Collins acollins@sau17.net

Middle School counselors:

Kara Byrne: kbyrne@sau17.net and Tiffany Fabiano: tfabiano@sau17.net

High School Director of Counseling:

Heidi Leavitt: hleavitt@sau17.net

District Social Worker:

Kara Prah: kprahl@sau17.net

Permission to Participate in Weekend Food Program:

I give permission for my child _____ to participate in the End 68 Hours of Hunger Food Program. I understand that my child will receive a bag of food each Friday afternoon.

NEWS RELEASE

SANBORN REGIONAL SCHOOL DISTRICT

Date: February 2024

Daniel J. Bakie School
KINDERGARTEN REGISTRATION
for Newton and Kingston, NH

If your child will be five years old by September 30, 2024, and you are a ***resident of Kingston or Newton, NH***, you should consider registering your child for full-day kindergarten for the 2024-2025 school year. Please visit our school website at <http://www.sau17.org/3/home> and click **the 2024-2025 registration link**. Registration is done completely online. Documentation required to complete the registration process includes a current physical & immunization record and proof of residency documents. The Sanborn Regional School District has defined the following acceptable residency documents: a copy of a **current** utility bill (electric, cable, gas, oil) showing your name and address (no P.O. Boxes), **along with** either a signed lease, a notarized letter from Builder or Realtor, property tax bill, settlement document on a new home or a property deed. Registering early helps us plan appropriately. We ask that registrations be completed ***no later than Wednesday, May 1st***.

New Hampshire State Law requires all children to have had immunizations for DPT, Polio, Mumps, Measles, German Measles, Chicken Pox, and Hepatitis B before school entry. They also require each child to have a complete medical examination within one year before entry into kindergarten.

Incoming parent orientation is scheduled on **Wednesday, April 10th from 3:20-4:20 p.m.** at the D.J. Bakie School (see below for specifics). This event is designed for parents/guardians and their students! This event is focused on visiting kindergarten classrooms, meeting the teachers, and seeing their classrooms. There will be an opportunity to meet our unified arts team and see other specific programs at a later date. The schedule is as follows:

Time:

3:20-3:50 If your Last Name begins with A-M

(If you have older students or PreK students, please park at Swasey after pick-up and walk over. Please do NOT park in the lot here)

3:50-4:20 If your Last Name begins with N-Z

We are excited to have you share the opportunity to visit classrooms and speak with our staff!

All incoming kindergarten students are required to participate in a screening process. ***You must register your child so that they may participate in the screening.*** Screening dates will be announced at a later time.

Please contact Kim Rousseau, Enrollment Coordinator, by telephone at (603) 642-5272, x101, or email krousseau@sau17.net for any questions.

THE SEACOAST SCHOOL OF TECHNOLOGY
PRESENTS THE 15th ANNUAL
SUMMER CAMPS FOR MIDDLE SCHOOL STUDENTS

Exciting summer camps will be offered once again to students who are **currently** in the 5th, 6th, 7th or 8th grade. One-week camp sessions will take place during the week of June 24, 2024. Each day's session will run from 8:00 a.m.-12:00 noon. Students are responsible for their own transportation. No food will be served. Each camp will run contingent upon enrollment. A student will be considered enrolled once the enrollment and medical forms are complete and a check made payable to the Seacoast School of Technology has been received and cleared. **Camp sign-ups will begin on Monday, March 25, 2024. Registration forms must be postmarked no earlier than Friday, March 22, 2024.** The following camps will be offered on a first-come, first-served basis:

Become a Builder
Week of June 24

Want to learn basic knowledge of hand tools and power tools? Want to learn proper safety techniques to use in a workshop or on a construction site? Sign-up for this camp and each day you will build an exciting new project with the tool of the day. Campers are required to wear pants and no open-toed shoes. Limit 12 students. Total cost \$145.00.

Culinary Arts
Week of June 24

Do you love to bake? Spend a week in our Intro to Baking Workshop! You will practice making new and exciting varieties of cookies, pies and tarts, filled cupcakes, quick breads and yeast breads! You will learn how to use professional tools and equipment while preparing all of these delicious confections. Note: long pants, closed-toed shoes and hair tied back are a safety requirement. Limit 14 students. **Total cost \$160.00, this includes a chef hat.**

Engine Overhaulin'
Week of June 24

Embark on a thrilling journey into the world of automotive repair at Seacoast School of Technology's summer camp! Led by expert instructors, campers will explore essential maintenance techniques using professional-grade tools. From oil changes to brake inspections, they'll dive into hands-on activities in a safe, enjoyable environment. The highlight? Dismantling and reassembling an engine to uncover its secrets. Join us for an unforgettable and fun-filled adventure in auto repair! Secure your spot today. Limit 12 students. Total cost \$145.

For the required application and health form, go to **sst.sau16.org**. As a program fills, it will be listed on the website.

The **non-refundable fee** (unless program is cancelled) of \$145 is valid for completed applications and health forms received through May 17, 2024.

No refunds for natural disasters, local emergencies, loss of power or water, etc.

A letter confirming your child's placement will be mailed to you after **May 17, 2024**.

For further information or questions, please contact Brenda Schrempf at 775-8461 or bschrempf@sau16.org

Mail forms and payment to: Seacoast School of Technology, Attn: B. Schrempf, 40 Linden St., Exeter, NH 03833

SUMMER CAMP 2024

Youth & Teen Career Exploration 9AM - 12 PM, Monday - Thursday

Week of July 8

- **Automotive - General Vehicle Maintenance and Information:** Learn proper use of tools and procedures involved during vehicle check-over, oil change, tire replacement, warning light meaning and checking, and scan tool introduction.
- **Find My Career:** Hands-on exploration of career pathways in the social and health sciences, with on-site interactions with practitioners.

Week of July 15

- **Automotive - General Vehicle Maintenance and Information**
- **Introduction to Digital Electronics:** Get hands-on experience using electronic components to build a functioning digital circuit on a solderless breadboard. This project comes equipped with its own battery pack so students can take home and demonstrate to friends and family.
- **Programming with Python:** Learn to problem solve through programming. No prior coding experience necessary.
- **Exploring the world of Public Health:** Learn about the history of Public Health and important public health issues that affect your own community and other communities around the world. Work with experienced public health professionals and get hands-on experiences in various labs as part of exploring this diverse and interesting career path.

Week of July 22

- **Intro to Arduino** (Programmable circuit board): Learn to program and see your code working on an actual circuit board with lights and switches. You'll be able to take home your circuit board and demonstrate to family and friends
- **Skills for High School & College Success:** Build skills for high school and college success, with hands-on exploration of relevant academic pathways and on-site interactions with practitioners.

Week of July 29

- **Aviation Technology:** Learn about the many different careers in Aviation.

Technology Fun Night CLXI

Friday, April 12, 2024

6:00 PM – 8:00PM

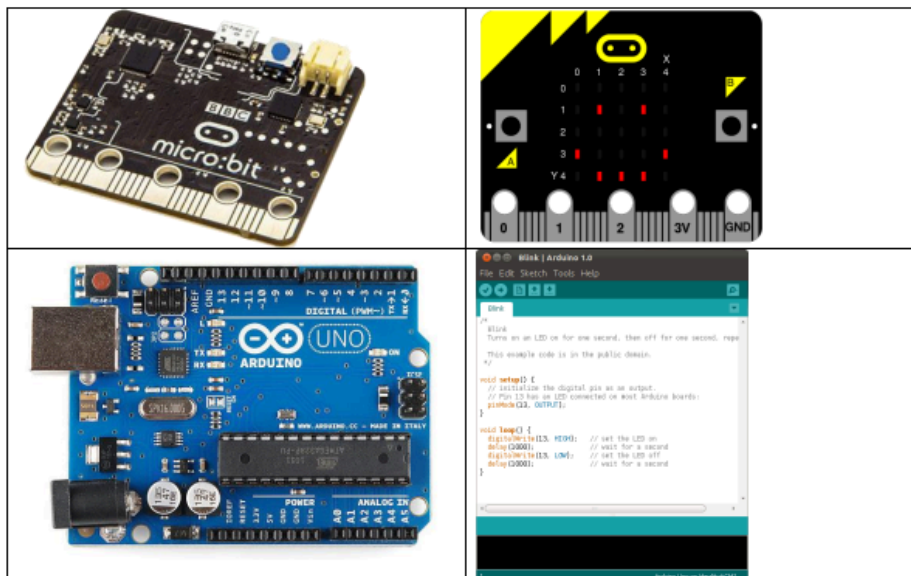

Place: Seacoast School of Technology
Who: Grade 5 – 9 students

Cost: Voluntary donation of 3 cans of food for local food bank per person. If you would like to bring more cans, all donations will gladly be accepted.

Why: This school year, the Seacoast School of Technology is offering a series of events for students to show just how much fun learning about technology can be.

Register online @ <https://sst.sau17.org/en-US/technology-fun-nights-f4734f0b> Registration opens 8 AM on Tuesday, March 19, 2024. Registration deadline is April 11, 2024. Limited to 25 students on a first come first served basis.

This month we will be learning about hardware programming using the Arduino and Micro:Bit single board computers. You will learn about interfacing Light Emitting Diodes and pushbutton switches to control a computer program.

Any questions, contact Mr. Messa at mmessa@sau16.org or 775.8623

Come join in the fun!!!!

Adventurelore Summer Camp

MEET OUR STAFF

The ADVENTURELORE staff is most responsible for the success of our program. All staff members possess the high degree of sensitivity, understanding and energy necessary to answer the individual needs of each of our adventurers. Our staff members have considerable experience working with the youth in various environments. Both junior and senior staff members are carefully selected and well trained to provide the highest quality programs. ADVENTURELORE averages a

1:3 Counselor: Adventurer Ratio

Adventurelore's Summer Camp is a historically safe high-adventure coed outdoor living experience designed to offer challenging and successful experiences for children and adolescents. Under professional supervision and guidance, adventurers will gain self-esteem and personal confidence through adventurous, exciting and FUN filled activities, while acquiring outdoor living skills. These skills have been proven to be physically and mentally beneficial to individuals of all ages. We strive to help youth unfold positive attitudes about themselves and their peers in outdoor surroundings through exposure to both individual and group challenges.

Ryan's Message

Summer camp is one of the most amazing experiences you can provide your child. At Adventurelore we believe that camp is more than just having fun. It's about having fun while making new friends, great memories and learning valuable life skills. When our campers return home we want them to have had the best adventure of their lives while also feeling like they learned life lessons and skills they can use as they grow into teenagers and young adults.

Ryan Holder

Summer Camp Programs 2024

5 DAY | AGES 8-12 | NH CAMP
JUNIOR 1 | July 8-12 | \$1,395
JUNIOR 2 | July 23-27 | \$1,395

6 DAY | AGES 10-13 | ME CAMP
JUNIOR 3 | July 29-August 3 | \$1,495

Adventurelore is offering 5 and 6 day programs for juniors designed to be a life enriching taste of our Woodstock, NH and Franklin, ME base camp activities. Adventurers will enjoy the experiences of camping, swimming, rock climbing, rappelling, canoeing, and white water kayaking on Junior 1 and 2 (5-day programs) at our Woodstock, NH campsite. On our Junior 3 trip (6-day program) at our Franklin, ME campsite, campers will enjoy all of this in addition to white water rafting! Other energized camp activities take place in what kids have come to call "Thunder Dome" and "The Barn." The weeks activities are designed to be fun and exciting while enhancing self-esteem and developing self confidence in a safe and caring social environment.

CROSS COUNTRY CHALLENGE (boys)

5 DAY | AGES 13-17
June 26 - July 3 | \$1,945

Adventurers will mountain bike along the best of the back trails of Maine from the Canadian border to Bar Harbor. This trip also includes whitewater kayaking and canoeing, swimming, rock climbing and orienteering adventures. The focus of this eventful and exciting adventure is directed toward participants recognizing their capabilities as an individual and positively contributing their personal attributes to the group while enjoying a healthy environment. Ride your mountain bike, borrow one of our Giant brand mountain bikes, or for an additional \$295 you can purchase a brand-new shop quality mountain bike at a 60% discount. We highly recommend this option.

LAND AND SEA ADVENTURE (co-ed)

8 DAY | AGES 13-17
JULY 9-16 | \$1,995

The Eight-Day Land & Sea trip is coed and offers adventurers four days of sailing, kayaking and canoeing, swimming, tubing and island exploring along the beautiful coastline of Mt. Desert Island and Frenchman Bay. The ensuing four days' activities will include rock climbing, rappelling and whitewater rafting. This trip focuses on boating skills and positive social interaction in a variety of FUN and challenging environments.

ACADIA ADVENTURE (girls)

6 DAY | AGES 13-17
JULY 21-26 | \$1,495

The Acadia Adventure is based in Franklin, ME near Acadia National Park. Activities will include swimming, kayaking, canoeing, hiking, rock climbing, rappelling in the beautiful Acadia National Park, sailing in Bar Harbor, and whitewater rafting on the Kennebec River! This program emphasizes on the benefits of being active, having FUN, social connection, healthy living and perseverance through individual and group challenges.

For all programs, activities are subject to change subject to weather or program formatting

WHITE MOUNTAIN ADVENTURE (boys)

8 DAY | AGES 13-17
July 29-August 5 | \$1,895

The 8-Day White Mountain Adventure is a program highlighted with mountain biking, whitewater kayaking, hiking the Appalachian Trail, swimming, camping and rock climbing in the White Mountains. Our main camp is located on the Pemigewasset River. This program promises to be FUN and EXCITING with the ability to meet the individual challenge needs of each adventurer. Through these challenges, adventurers will increase their self-confidence, spontaneity, teamwork and a sense of humor in new and thrilling environments.

WHITE MOUNTAIN ADVENTURE (girls)

6 DAY | AGES 13-17
June 27 - July 2 | \$1,495

The 6-Day White Mountain GIRLS Adventure is a program highlighted with whitewater kayaking, hiking the Appalachian Trail, swimming, camping and rock climbing in the White Mountains. Our main camp is located on the Pemigewasset River. Every day there are opportunities to swim and explore the river. This program promises to be FUN and EXCITING with the ability to meet the individual challenge needs of every adventurer. Through these challenges, adventurers will increase their self-confidence, spontaneity, teamwork and have FUN in a new and thrilling environment.
