## **STATEMENT OF PHILOSOPHY VISION, MISSION, AND EXPECTATIONS FOR STUDENT LEARNING**

### **Sanborn Regional School District Vision Statement**

The Sanborn Regional School District serves students in grades K-12 as a New Hampshire Public School District. It is our desire that all students in the school district develop a passion for learning, become self-directed literate individuals, develop a willingness to continuously improve themselves, become informed decision makers and problem solvers, become life long learners, prepare themselves for the global world that they will live in, and become community participants who understand and participate in our democratic tradition and values.

### **Sanborn Regional School District Mission Statement**

The Mission of the Sanborn Regional School District is to educate all students who attend the Sanborn Regional School District. In support of this mission, we believe the following:

### **Expectations for Student Learning**

- All students can learn and demonstrate what they know.
- All students can become self-directed learners.
- All students learn in different ways and require different methods of learning.
- All students can become informed decision makers who are actively engaged in the learning process.
- All students can become effective communicators who write well, read widely; listen perceptively, speak clearly use language, numbers and symbols to convey and receive information.
- All students can learn to be collaborative learners to enhance their ability to accomplish group and community goals.
- All students can become life-long learners.
- All students will work to become respectful, responsible, contributing members of society.
