

# SANBORN REGIONAL SCHOOL DISTRICT

SRSD File: IF

## **INSTRUCTIONAL APPROACH**

### Statement of Purpose

It is the policy of the Sanborn Regional School Board that instruction will be aligned with the goals and mission of the School District, and the rules of the NH Department of Education

### Statement of Policy

Instruction will be focused on meeting the instruction needs of students.

The instruction program will include:

1. Procedures for diagnosing learner needs
2. Methods and strategies for teaching that incorporate learner needs
3. Resource-based learning opportunities
4. Techniques for the evaluation of student outcomes
5. The provision of remedial instruction as needed

All instruction will reflect the acknowledgement of diversity and respect for differences.

Instruction will also include, where possible, consideration of all available community resources, including but not limited to organizations, business, talented individuals, natural resources, and technology to engage each student in achieving the necessary skill and knowledge.

Students will be encouraged to participate in year-round learning.
