## **INSTRUCTIONAL TIME SCHEDULES**

### Statement of Purpose

This policy establishes the process for setting time schedules for instruction at all levels in the schools of the District.

### Statement of Policy

It shall be the responsibility of the Superintendent of Schools, working with the building principals, to develop a schedule of instruction at each level—elementary, middle school, high school—on an annual basis. This schedule shall be reviewed by the School Board and shall be distributed to staff, parents, and students. The schedule will specify the distribution of instructional time among the various learning areas at each level. These learning areas or subjects will, at a minimum, include those subjects listed in the New Hampshire School Approval.
